

Former Art. 27, § 255C(a)(7), which defined "gaming sticker", is deleted in light of § 13-2430(b) of this subtitle, which requires that a person with a wholesaler's license obtain a gaming sticker and affix the sticker to a tip jar packet in the manner that the county commissioners require. The former reference to a bar code is deleted as unnecessary since the type of sticker required is left to the discretion of the county commissioners.

Former Art. 27, § 255C(q)(9), which prohibited the county commissioners from reducing appropriations to nonprofit organizations in the County below the amount budgeted in fiscal year 1996, was recodified as § 1-108(e) of the Public Local Laws of Washington County as part of the enactment of this article. See Chapter \_\_\_, § \_\_\_, Acts of 2002. This provision was initially enacted in 1996 as part of legislation concerning the regulation of tip jars. However, because it did not directly relate to the regulation of tip jars, the Criminal Law Article Review Committee determined that it would be more appropriately codified in the Public Local Laws rather than in this subtitle.

Portions of §§ 13-2430 and 13-2435, which are derived from former Art. 27, § 255C(o) and (q), respectively, are subject to abrogation on June 30, 2003, in accordance with Ch. 479, Acts of the General Assembly of 2000.
