

In subsection (c)(1)(i) and (ii) of this section, the former references to the "cost" of an annual or temporary license are deleted in light of the reference to the "fee" payable for these licenses in the introductory language of subsection (c)(1) of this section.

In subsections (d) and (g) of this section, the former references to "rules" are deleted for consistency throughout this article. *See* General Revisor's Note to article.

In subsection (d) of this section, the requirement that the board issue a license "to each applicant who meets" certain requirements is substituted for the former requirement that the board issue a license "[i]f the bingo board ascertains that the application conforms to" certain requirements for accuracy and to conform to similar provisions in other revised articles of the Code.

Also in subsection (d) of this section, the reference to regulations "adopted under this part" is substituted for the former reference to regulations "issued thereunder by the board" for accuracy and consistency with § 13-2608 of this subtitle.

Also in subsection (d) of this section, the former reference to issuing a license "as applied for" is deleted as implicit.

In subsection (e) of this section, the former reference to an applicant "qualified under the provisions of this section" is deleted because the prohibition on the issuance of a license under subsection (e) applies whether or not an applicant is otherwise qualified for a license.

In subsection (f) of this section, the former reference to premises "rented" by the applicant is deleted in light of the reference to premises "leased" by the applicant. Correspondingly, the former reference to a "rental" agreement is deleted in light of the reference to a "lease" agreement.

Also in subsection (f) of this section, the former requirement that the lease agreement "first" be approved is deleted in light of the requirement that the lease agreement be approved "before" a license may be issued.

In subsection (g) of this section, the reference to "deny[ing] a license to an applicant" is substituted for the former reference to "revok[ing] any application for a license" for accuracy and to conform to similar provisions in other revised articles of the Code.

Also in subsection (g) of this section, the former reference to regulations "promulgated" under this part is deleted as implicit in the reference to regulations "adopted" under this part.
