REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 96 1/2, § 46.

In subsections (a) and (b) of this section, the reference to "by law" is substituted for the former references to "under the laws of this State, public general and public local, or under any ordinance, rule or regulation" and "by any of said laws, ordinances, rules or regulations" for brevity and clarity.

In subsection (a) of this section, the former reference to a "calling or to do any other act or thing" is deleted in light of the reference to a "profession or trade".

Also in subsection (a) of this section, the former reference to "said person so filing shall have the same rights ..." is deleted as implicit in the requirement that the application be considered timely.
