

(2) THE GOVERNING BODY OF THE MUNICIPAL CORPORATION OR COUNTY MAY ADOPT REASONABLE REGULATIONS FOR THE LAYING OF PIPES, CONSTRUCTION OF WORKS, AND OPERATIONS OF A WATER COMPANY.

(C) BALTIMORE CITY EXCEPTED.

THIS SECTION DOES NOT AUTHORIZE THE INCORPORATION OF A WATER COMPANY TO OPERATE IN BALTIMORE CITY.

REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 23, § 332.

In the introductory language of subsection (a) of this section, the reference to "a water company incorporated in Maryland" is substituted for the former reference to "[a]ny corporation which may be formed under the provisions of this article for the purpose of supplying water" for clarity and brevity. Although "this article" formerly referred to Article 23, and the defined term "water company" in this article is derived instead from former Art. 78, § 2(cc), the general provisions on the formation of corporations in Maryland for any purpose, that were originally contained in Article 23, are now codified in the Corporations and Associations Article. See CA Title 2. Any water company that is incorporated in Maryland either is incorporated under CA Title 2, or was incorporated under the predecessor provisions for that title in Article 23. No substantive change is intended.

In subsection (b)(1) of this section, the reference to the "governing body" of a municipal corporation or county is substituted for the former references to "municipal authorities of any incorporated town or city" and to the "county commissioners of said county" for clarity and specificity, and to reflect the fact that many counties in the State no longer have the "commissioner" form of government. Similarly, in subsection (b)(2) of this section, the term "governing body of the municipal corporation or county" is substituted for the former phrase "said municipal authorities or said county commissioners, as the case may be," for clarity.

In subsection (b)(2) of this section, the specific reference to the "laying of pipes, construction of works, and operations" of a water company is substituted for the former reference to "all such works and the exercise of the powers hereby granted" for clarity.
