

In subsection (c)(1)(i) of this section, the phrase "[i]n addition to the Executive Director" is substituted for the former reference to "any additional" for clarity.

Also in subsection (c)(1)(i) of this section, the word "employ" is substituted for the former word "appoint" for clarity.

In subsection (c)(2) of this section, the reference to officers "and" employees is substituted for the former reference to officers "or" employees to clarify that neither group is subject to the provisions of Division I of the State Personnel and Pensions Article that govern the State Personnel Management System.

In subsection (e) of this section, the phrase "contract with" is substituted for the former reference to "engage" for clarity.

Also in subsection (e) of this section, the former reference to "accountants, architects, construction experts and personnel, engineers, lawyers, financial advisors, or other ..." is deleted as surplusage because the Board is empowered under this subsection to engage any necessary agents or consultants.

Also in subsection (e) of this section, the reference to agents or consultants that the Board "considers necessary to carry out the purposes of this subtitle" is added as implicit in the reference to "necessary" agents and consultants.
