

(3) On or before January 1, 2003, the Commission shall adopt regulations that provide for the conduct of continuing education instruction courses by:

- (i) remote access satellite;
- (ii) closed-circuit video;
- (iii) computer, including transmission over the Internet and the World Wide Web;
- (iv) home study; and
- (v) any other delivery system approved by the Commission.

SECTION 2. AND BE IT FURTHER ENACTED, That:

(a) The State Real Estate Commission shall create and provide a list of available continuing education learning opportunities, including classes offered on the Internet.

(b) The list created under subsection (a) of this section:

(1) shall be posted on the website for the State Real Estate Commission;

(2) shall be provided, free-of-charge, to any licensee who requests information regarding continuing education learning opportunities; and

(3) shall include the name of the class, a contact person for the class, and a contact phone number for the class.

SECTION ~~2~~ 3. AND BE IT FURTHER ENACTED, That this Act shall take effect October 1, 2004.

Approved May 26, 2004.

CHAPTER 542

(House Bill 1269)

AN ACT concerning

Electric Companies - Net Energy Metering - Wind Electric Generating Facilities

FOR the purpose of expanding the provisions of law relating to net energy metering with respect to electricity generated by electric company customers who own solar electric generating facilities to include eligible customers who own certain wind electric generating facilities; altering the definition of an "eligible customer-generator" by repealing certain limitations; requiring wind electric generating systems used by eligible customers to meet certain safety and performance standards; prohibiting an electric company from requiring eligible
