

- (f) In case of the loss of the entire sight of both eyes, if irrevocably lost: seven hundred fifty dollars (\$750.).
  - (g) In case of the loss of the entire sight of one (1) eye, if irrevocably lost: three hundred seventy-five dollars (\$375.).
  - (2) In the event of personal injuries as aforesaid resulting in any of the losses hereinbefore designated, the additional amount of one dollar (\$1.) per day, not including Sundays, excluding the first week following the injury, while he is being treated, for a period not exceeding twenty-six (26) weeks.
  - (3) In the event of personal injuries as aforesaid not resulting in any losses herein before designated but resulting in total disability, one dollar (\$1.) per day, not including Sundays, excluding the first week following the injury, for a period not exceeding fifty-two (52) weeks.
  - (4) In the event of personal injuries as aforesaid resulting in death within a period of one (1) year, one thousand five hundred dollars (\$1,500.), provided that in case any payments shall have been made on account of the above-mentioned losses or disability during treatment or total disability resulting from said injuries, the amount thereof shall be deducted from the sum payable upon death of the person injured.
  - (5) In case of death resulting from having come in contact with any of the mine gases, one thousand five hundred dollars (\$1,500.).
- B. Payment of relief moneys. When any such employee shall have suffered loss from injury in the discharge of his duty as aforesaid, the County Commissioners for the county in which he shall have suffered said loss from injury shall, within thirty (30) days after the receipt by them of satisfactory proof thereof, direct the Treasurer of the county to pay unto said employee, upon his proper receipt therefor, the sum of relief money as provided herein for such loss from injury. When such injury shall result in disability as aforesaid, said County Commissioners shall, within thirty (30) days after the receipt by them of satisfactory proof of the injury and disability, direct said Treasurer to pay said employee the per diem relief money as herein provided. When such injury shall result in death or the employee shall have been killed by coming in contact with mine gases as aforesaid, said County Commissioners shall, within thirty (30) days, after the receipt of satisfactory proof of the injury and death, direct said Treasurer to pay unto the personal representative of the deceased the relief money as herein provided, to be disbursed by him under the direction of the County Commissioners as hereinafter provided for the sustenance of the dependents of said deceased employee.
- C. Proof of injury required; form; filing suit. The County Commissioners shall determine the manner and form of the proof herein required, provided that such proof shall at least consist of a certificate of the mine foreman or
