

(4) (i) 1. In this paragraph, "fishing activities" means those activities that are directly related to catching fish.

2. "Fishing activities" does not include the activities of buying, selling, processing, transporting, exporting, or similarly dealing in fish.

(ii) The Department shall assess annually on every nonresident license applicant for the applicant's fishing activities under Subtitles 7, 8, and 9 of this title, in addition to the normal license fees imposed by this subsection, a surcharge which cumulatively for the license year, shall be the greater of:

1. An amount equal to the difference between the total fees charged to a Maryland resident engaged in like fishing activities in the state of residence of the nonresident applicant and the total of normal license fees for fishing activities in Maryland; or

2. \$350.

(f) An applicant for a new license to provide services as a commercial fishing guide in tidal waters of the State shall supply as part of the initial application verifiable references to any federal license that is issued by the U.S. Coast Guard to operate a vessel carrying passengers for hire in the applicant's name, as a condition precedent to engaging as a commercial fishing guide in tidal waters.

(g) (1) Notwithstanding any other provision of this section, the Department may issue an apprenticeship permit for any activity under subsection (d)(2)(ii)1 or 2 of this section to a person who currently resides and has resided for at least 5 years on an island in the State that is at least 3 miles from the mainland.

(2) The Department shall set by regulation targets for the number of tidal fish license authorizations under subsection (d)(2)(ii) of this section to be the number issued between September 1, 1998 and March 31, 1999. The Department may modify by regulation the target number of authorizations based on:

(i) Recommendations of the Tidal Fisheries Advisory Commission;

(ii) Recommendations of fishery management plans adopted by the Department, the Chesapeake Bay Program, the Atlantic States Marine Fisheries Commission, the Mid-Atlantic Fisheries Management Council, or any other appropriate management body;

(iii) The number of people historically participating;

(iv) Target species, size, number, weight, incidental catch, total biomass, annual harvest, mortality rates, and other factors which are necessary and appropriate; and

(v) The number of authorizations relinquished to the Department under subsection (j-1) of this section.

(3) (i) The Department shall by regulation limit the total number of authorizations to fish for striped bass to 1,231 participants in the commercial fishery and 499 participants in the charter boat fishery.
