(b-2)(1) The Department shall adopt regulations prohibiting the operation of personal watercraft above idle speed in any area of water with a depth of less than 18 inches.

(2) Except as provided in paragraph (1) of this subsection, the Department may adopt regulations limiting the use of personal watercraft in any area of water with a depth of less than 1 meter.

(c) Department regulations do not become effective unless advertised publicly in at least 2 daily newspapers of general circulation and at least 1 weekly newspaper serving the area or areas involved at least 45 days before the effective date. If 50 citizens of the State file a petition with the Department at least 15 days prior to the effective date, the Department shall conduct a public hearing on the proposed regulations.

(d) A municipality or other local authority may not establish any regulation of a local nature which does not conform with the Department's regulations.

(e) On any proposed regulation affecting the equipment or operation of any vessel subject to this subtitle, the Secretary shall solicit the advice and opinions of officials of representative boating associations, yacht clubs, and local, State, or federal governments or officials, having knowledge or experience with the subject matter of the proposed regulations. These representatives and officials serve as an advisory committee appointed by the Secretary to review the proposed regulations.

(f) The Department, with the endorsement of the Secretary of Natural Resources and the Secretary of the Environment, after a public hearing following 60 days' notice, shall adopt and publish sound level limits governing the noise generated by the operation of pleasure craft on the waters of the State. The sound level limits shall be established at the most restrictive level consistent with the environmental noise standards adopted by the Department of the Environment which is achievable through the application of the best available technology and at a reasonable cost.
