

(b) (1) Every emergency vehicle, in addition to any other equipment and distinctive markings required by the Maryland Vehicle Law, shall be equipped with signal lamps mounted as high as practicable, which shall be capable of displaying to the front and to the rear a flashing red light or lights. These lights shall have sufficient intensity to be visible at 500 feet in normal sunlight.

(2) Every school vehicle meeting the requirements established by the Administrator shall be equipped with alternately flashing warning lights in accordance with the standards adopted under § 22-228 of this subtitle.

(c) (1) A person may not drive or move on any highway any vehicle or equipment that is equipped with or displays any light or signal device designed to emit an oscillating, rotating, blinking, or other type of emission of light, unless designated and authorized by the Administrator as indicated in paragraphs (2) through [(10)](11) of this subsection. The provisions of this section do not prohibit the display and use of any lighting device that may be permitted or required elsewhere in the Maryland Vehicle Law.

(2) Vehicles of the police department and other city, county, State, or federal law enforcement agencies may be equipped with and display red, white, or blue lights or signal devices.

(3) (i) Vehicles of city, county, State, or federal fire departments or duly constituted volunteer fire departments or rescue squads, or the Maryland Institute for Emergency Medical Services System, may be equipped with or display red and/or white lights or signal devices.

(ii) In each volunteer fire company, no more than five of the following officers may have their privately owned vehicles equipped with red lights or signal devices which may be displayed only while on route to or at the scene of an emergency:

1. The fire chief or the highest ranking fireline officer;
2. One or more of the assistant chiefs or deputy chiefs, whichever rank is second in command; and
3. The emergency medical services commander.

(iii) 1. The fire police of each volunteer fire company may have their privately owned vehicles equipped with red lights or signal devices designed to emit an oscillating, rotating, blinking, or other type of emission of light.
