

CHAPTER 399

(House Bill 394)

AN ACT concerning

St. Mary's County - Review of County Plans - Water Supply Systems and Designees

FOR the purpose of providing that, in St. Mary's County, approval of a new water supply system or the expansion of an existing water supply system requires the adoption, revision, or amendment to a county plan containing the water supply system to be subject to a certain review; authorizing a designee of the County Commissioners to consider certain amendments to a county plan under certain circumstances; expanding certain requirements for approval of county plans to include approval of plans for new water supply systems or the expansion of existing water supply systems; authorizing the Planning Commission to delegate the responsibility for certain public hearings to county staff; and generally relating to the review of county plans in St. Mary's County.
