Further provided that any school construction funds provided to a county in the capital budget bill that cannot be allocated to an eligible project, or cannot be used for the eligible project for which the funds were initially allocated may, within two years of the initial authorization, at the county's option, be:

- (1) applied to another eligible project in the current fiscal year;
- (2) reverted to the contingency fund and maintained for eligible projects in the county in the next fiscal year, which shall be in addition to new funds allocated for eligible projects in the county in the next fiscal year; or
- (3) used for projects eligible under the Aging Schools Program consistent with the State school construction requirements for local participation.

Further provided that any school construction funds allocated to a county that are not encumbered within two years of the initial authorization shall revert to the contingency fund established in Section 5-301 of the Education Article. This requirement shall
