If the net proceeds of the sale of any issue of bonds exceeds the amount needed to finance the public facilities described in the resolution or to finance the payment of any unfunded liability of the County to the State Retirement and Pension System of Maryland, the excess funds so borrowed and not expended shall be applied to the payment of the next principal maturity of the bonds or to the redemption of any part of the bonds which have been made redeemable or to the purchase and cancellation of bonds, unless the County shall adopt a resolution allocating the excess funds to the costs of other public facilities.~~

~~SECTION 5. AND BE IT FURTHER ENACTED, That the borrowing authorized by this Act to finance the payment of any unfunded liability of the County to the State Retirement and Pension System of Maryland may be issued for the public purposes of (i) realizing savings with respect to the aggregate cost of the County payment liability being funded, on either a direct comparison or present value basis; or (ii) structuring or restructuring payment liability costs in a manner that (a) in the aggregate effects a reduction in the total cost of the County payment liability as described, or (b) is determined by the County to be in the best interests of the County, to be consistent with the County's long term financial plan, and to realize a financial objective of the County, including improving the relationship of liability payment costs to a source of payments such as taxes, assessments or other charges. Any findings made by the County in the resolution regarding the public purposes achieved by the issuance of bonds for such purposes shall be conclusive.~~

SECTION ~~6~~ 5. AND BE IT FURTHER ENACTED, That the bonds hereby authorized shall constitute, and they shall so recite, an irrevocable pledge of the full faith and credit and unlimited taxing power of the County to the payment of the maturing principal of and interest on the bonds as and when they become payable. In each and every fiscal year that any of the bonds are outstanding, the County shall levy or cause to be levied ad valorem taxes upon all the assessable property within the corporate limits of Frederick County in rate and amount sufficient to provide for or assure the payment, when due, of the principal of and interest on all the bonds maturing in each such fiscal year and, in the event the proceeds from the taxes so levied in any such fiscal year shall prove inadequate for such payment, additional taxes shall be levied in the succeeding fiscal year to make up any such deficiency. The County may apply to the payment of the principal of and interest on any bonds issued hereunder any funds received by it from the State of Maryland, the United States of America, any agency or instrumentality thereof, or from any other source. If such funds are granted for the purpose of assisting the County in financing the construction, improvement, development, or renovation of the public facilities defined in this Act and, to the extent of any such funds received or receivable in any fiscal year, the taxes that might otherwise be levied under this Act, may be reduced or need not be levied.
