(c) (4) (ii) 1. Under [an extension of] the obligation to provide standard offer service in accordance with paragraph (3)(ii) of this subsection, the Commission, by regulation or order, and in a manner that is designed to obtain the best price for residential and small commercial customers in light of market conditions at the time of procurement and the need to protect these customers from excessive price increases:

A. shall require each investor-owned electric company to obtain its electricity supply for residential and small commercial customers participating in standard offer service through a competitive process in accordance with this paragraph; and

B. may require or allow an investor-owned electric company to procure electricity for these customers directly from an electricity supplier through one or more bilateral contracts outside the competitive process.
