

(II) FOR A POLICYHOLDER THAT IS A PARTNERSHIP, TO ANY PARTNER.

(4) NOTICE UNDER THIS SUBSECTION SHALL STATE THE DATE ON WHICH THE CANCELLATION IS TO BECOME EFFECTIVE.

REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 101, § 76(a) and the first and second sentences of (b) and the first sentence of § 75.

In subsections (a) through (d) of this section, the defined term "policyholder" is substituted for the former references to "employers insured in the ... Fund", an "employer subject to the operation and effect of this article, who shall insure in the ... Fund", and "an employer", for brevity and clarity.

In subsection (a)(2) of this section, the duty to conform to the "requirements" is substituted for the former duty "to install and maintain" a uniform payroll for accuracy, since the manner of keeping payroll records, rather than the payroll itself, is regulated.

In subsection (b) of this section, the reference to a report "on wages" is substituted for the former reference to a report "of his payroll", as more precise, since the requirement for a report seemingly is imposed to determine the correctness of the amount on which a premium is based. The substituted language also conforms to similar requirements elsewhere in this article. See, e.g., § 7-403 of this article.

Also in subsection (b) of this section, the former specific reference to "regulations" is deleted as unnecessary in light of the general reference to "requirements".

Subsection (d)(1) of this section is revised to state expressly that the former reference to a failure "to comply with the requirements of ...[former § 76] (a)" encompassed a refusal to allow an authorized inspection. This revision is based on the statement, in former § 76(a), that payroll records "shall be open at all times". In light of this revision, the restatement of subsection (c) of this section as a power does not effect a substantive change.

Subsection (d)(2) of this section is revised in the active voice to clarify that the onus for compliance with the notice requirements falls on the Board. This revision omits specific reference to the superintendent and assistant superintendent since the general rules on subdelegation would allow either to carry out this duty.

In subsection (d)(2)(i) of this section, the phrase "by personal service" is substituted for the former phrases "by delivering it to him", for brevity.

Also in subsection (d)(2)(i) of this section, the reference to "certified or registered mail" is retained. Although Art. 1, § 20 of the Code provides that "certified mail" includes "registered mail", the Workers' Compensation
