

Occurred: As a result of Chapter 693, Acts of 1986, which renumbered § 19-115(m) of the Health - General Article to be § 19-115(l).

Article 44A - Housing Authorities

1-202.

(c) In order to adopt articles of organization pursuant to this subsection, the following requirements shall be met:

(1) The custodian [or] OF records of the local government shall provide documentation to the Secretary of State that within 5 years prior to the date the documentation is submitted the following requirements have been satisfied:

(i) The local government, within each of any 3 fiscal years within such 5-year period, has provided financial assistance to the authority from local tax revenues or bond sale proceeds in an amount equal to the greater of:

1. The product of \$1 times the number of residents of the local jurisdiction as published annually by the Department of Health and Mental Hygiene or as otherwise available; or

2. The product of \$100 times the total number of dwelling units owned or managed by the authority; and

(ii) The authority, at the request and with the financial support of the local jurisdiction, is operating 1 or more housing projects for which the federal government provided no more than half of the development and operating costs; and

(2) Articles [or] OF organization shall be:

(i) Recommended in writing by the local government's chief elected official;

(ii) Approved by a resolution of the housing authority's board of commissioners; and

(iii) Adopted by a resolution or ordinance of the local government's legislative body.
