(d) (1) Any person desiring to hunt on any regulated shooting ground shall first obtain a special license. However, a person holding a resident or nonresident hunter's license may not be required to obtain the license prescribed by this section.

[(i)] (2) The license shall bear the signature of the Secretary and shall be countersigned by the issuing agent who at the same time shall fill out a stub attached to the license with the name and address of the licensee. The agent then shall detach the stub and mail it to the Secretary the first day of each month. The agent shall retain 50 cents as compensation for issuing each license. The agent shall deliver the properly executed license to the applicant in person or by mail without further cost. The licensee shall insert the licensee's name in ink on the license at the time of purchase.

[(ii)] (3) The Department shall charge a reasonable fee for the purchase of a special license.

[(iii)] (4) The license shall expire on June 30 after the date of issuance.

[(iv)] (5) The license is not transferable and if used or presented by any person other than the person to whom it was issued, the license shall be confiscated by the Secretary, any Natural Resources police officer, or any law enforcement officer.
