

Article 78 – Public Service Commission Law

34.

(a) [Except as otherwise specifically provided in this section, a] A motor carrier permit may be made subject by the Commission to such terms and conditions as are deemed advisable, and shall be for such duration, not exceeding twenty years, as the Commission may prescribe. Seasonal permits for a portion of the year are specifically authorized in the discretion of the Commission.

[(d) No motor carrier permit to operate upon the streets of Baltimore City shall be for more than one year.]

[(e)] (B) Motor carrier permits shall be subject to suspension or revocation and subsequent denial for such period as the Commission may determine for violation of any of the provisions of this article.

SECTION 2. AND BE IT FURTHER ENACTED, That this Act shall take effect July 1, 1991.

Approved April 30, 1991.

CHAPTER 62

(Senate Bill 11)

AN ACT concerning

Public Service Commission – Gas Master Meter Operators

FOR the purpose of authorizing the Public Service ~~Commission~~ Commission to regulate the safety of gas master meter systems; authorizing the Public Service Commission to prescribe safety regulations for gas master meter operators; granting the Public Service Commission authority to seek injunctive relief against any gas master meter operator who violates certain provisions; authorizing the Public Service Commission to impose civil penalties for violations of the Public Service Commission's standards of safe service by gas master meter operators; defining a term; and generally relating to safety regulation of gas master meter operators by the Public Service Commission.
