

the exercise of the powers vested by this chapter in the board; provided:

(I) That the board shall exercise no authority over the operation or construction of the sewerage, water, [and] drainage, AND SOLID WASTE facilities of any incorporated municipality, including the extension of such facilities beyond the corporate limits of any municipality as such extensions may exist on July 1, 1968; and

(II) That the extension of such facilities beyond the corporate limits of any municipality after July 1, 1968 shall be subject to the approval and authority of the board, except that such approval shall not be required in the event of annexation pursuant to Article 23A of the Annotated Code of Maryland; and

(III) That in exercising the powers granted by this chapter, the board shall not be subject to the provisions of any planning regulations or zoning ordinances enacted under the provisions of Article 66B of the Annotated Code of Maryland.

2-13-4.

The board may create and appoint an advisory council to the board under this chapter. The advisory council may consist of all or any of the former members of the commission, or any other members as the board may deem necessary or desirable. The advisory council may review and recommend rates, policies, and plans for the maintenance, design, construction, or establishment of any water, sewerage, [or] drainage, OR SOLID WASTE system existing or to be constructed or established in Frederick County.

2-13-5.

(a) To provide for the general health and welfare of the residents of Frederick County, the county may acquire, construct, operate, and maintain such water, sewerage, [and] drainage, AND SOLID WASTE systems as it deems to be in the public interest, the county may cause surveys, plans, specifications, and estimates to be made for such systems. The county shall construct any such system or extension thereof only after a public hearing held by the board, after giving notice thereof in one newspaper of general circulation published in Frederick County at least seven (7) days prior to the hearing, and in the case of drainage systems, only after a drainage area has been established pursuant to Section 2-13-8 of this chapter. At the hearing, a description of the proposed improvements shall be presented together with the estimated costs thereof and estimated revenues to be derived therefrom.

(b) The power and authority conferred upon the county by this chapter may be exercised by it throughout Frederick County, provided that the board may provide for subservice areas within the county.

(1) That any municipal corporation may by appropriate ordinance or resolution transfer the jurisdiction, power, and control of any sewerage, water, [or] drainage, OR SOLID WASTE system of such municipal corporation to the county upon terms and conditions approved by the board and may consent to be included within the service area.

(2) That any municipal corporation in which there is no existing sewerage,
