

(ii) The County Commissioners shall budget funds for clerical assistance, [stationery] STATIONERY, and postage as necessary to assist the Commission in the normal performance of its duties. (1987, ch. 179)

Subtitle 7. Drainage, Watershed, and Garbage

1-701. Drainage; sewage systems authorized.

The County Commissioners may establish, construct, and improve and generally regulate [storm water] STORMWATER drainage, sanitary sewers, sewage disposal systems, and refuse disposal along the county roads, streets, alleys, and public rights of way in the [County] COUNTY. (1957 Code, sec. 188. 1955, ch. 313; 1970 ed. sec. 8-22; 1984, ch. 289)

1-702. Watershed projects.

The County Commissioners may:

(1) Carry out, construct, operate, and maintain any works of improvement for flood prevention or the conservation, development, utilization, and disposal of water in watershed or subwatershed areas qualifying for federal assistance under the provisions of the Watershed Protection and Flood Prevention Act, as amended, c. 656, Section 1, 68 Stat. 666 (1954), 16 U.S.C. 1001, hereinafter referred to as "the Watershed Act".

(2) Have powers necessary to satisfy the conditions for federal assistance as are or may be required under the Watershed Act or any regulations issued pursuant to it by the United States or any of its agencies charged with its administration.

(3) Accept grants of money and technical assistance offered by the United States or any of its agencies pursuant to the Watershed Act.

(4) Borrow money from the United States or any of its agencies pursuant to the provisions of the Watershed Act for works of improvements on terms and conditions permitted by the Act or any regulations issued pursuant to it. They may evidence such borrowing by the issuance of instruments acceptable to the United States or any of its agencies, notwithstanding any provision or limitation of any public general or local law. (1971, ch. 168; 1970 ed. sec. 8-27A; 1984, ch. 289)

1-703. Dumping garbage, rubbish; regulations.

The County Commissioners may adopt [rules and] regulations to control, regulate, or prohibit the dumping of garbage, offal, rubbish, or any other offensive or unwholesome material or matter within the limits of any unincorporated area in the county, whenever in their judgment the dumping has created or may create conditions dangerous to the public health or offensive to residents of the county. (1957 Code, sec. 193. 1951, ch. 435; 1970 ed. sec. 8-28; 1984, ch. 289)

[Subtitle 8. School Bus Transportation]

[1-801. School bus transportation; authorized, conditions.

(a) Entitlement. All children who attend an elementary or secondary school
