

apply to separate bills for sewer service charges, except for the provision with respect to the discontinuance of service in the event of delinquency.

(c) Use of revenues.

(1) All revenues collected by the Commission from sewer service charges shall be applied as follows:

(i) The Commission shall provide for payment of the cost of operating, maintaining, and repairing the sewerage systems of the District in the [sub-districts] SUBDISTRICTS from which revenues are obtained.

(ii) The revenues shall be applied to payment of the cost of operating, maintaining, and repairing any surface water drainage system in a [sub-district] SUBDISTRICT for which no ad valorem tax is provided pursuant to this subtitle, if the surface water drainage system was constructed by the District in conjunction with the sewerage system for which charges are made or for the purpose of separating the sanitary and surface sewage and drainage so as to relieve the burden on the sewerage system. Revenues may also be expended for a proportionate share of the cost of operating overhead of the District. The Commission may further reserve and set aside from the revenues appropriate depreciation reserves for expenditure on replacements of worn out equipment or facilities that form part of the system or related [storm water] STORMWATER drainage systems, or for improvements.

(2) After making appropriate provision for the foregoing expenditures and reserves, the Commission shall apply the revenues to the payment of the principal of and interest on the bonds of the Commission issued pursuant to the provisions of [Section 6-501 or 6-502] § 6-501 OR § 6-502 OF THIS TITLE with respect to the sewerage system producing revenues or with respect to the related surface water drainage system or for the prior redemption of or greater security for any such bonds, in accordance with the resolution or trust indenture of the Commission pursuant to which the bonds were issued.

(d) Review of schedules. All schedules of sewer service charges adopted and enforced by the District pursuant to this Section are not subject to review, regulation, or control by any agency of the County or of the State, including the Public Service Commission of Maryland. (1957 Code, sec. 545. 1957, ch. 694, sec. 891; 1961, ch. 743, sec. 545; 1970 ed. sec. 28-18; 1984, ch. 289; 1989, ch. 170)

6-803. Ready-to-serve charges.

(a) Ready-to-serve charges. In order to provide funds to pay the cost of acquisition, installation, maintenance, operation, and replacement of water meters, the District may fix and revise schedules of ready-to-serve charges.

(b) Charges. The charges shall be imposed on, and collected from, every property in a [sub-district] SUBDISTRICT connected to a water system owned or operated by the District, for which a separate water meter is installed by and at the expense of the District.

(c) Adoption of schedule. The schedules shall be adopted by resolution of the Commission and shall provide for graduated rates of charge dependent on meter sizes.
