

The Board, before the first Monday of May of each year, shall make a report in writing to the County Commissioners that contains a detailed statement of the nature of the receipts and manner of expenditure. (1957 Code, sec. 222. 1951, ch. 328, sec. 179-O; 1970 ed. sec. 12-15; 1984, ch. 289)

8-116. Occupations not covered by subtitle.

This subtitle does not apply to any electrical light company, electric railway company, steam railway company, telegraph or telephone company, nor to those persons, whether employees or not, performing electrical work for those companies. (1957 Code, sec. 223. 1951, ch. 328, sec. 179P; 1970 ed. sec. 12-16; 1984, ch. 289)

8-117. Meter cut-in certificates required.

(a) Meter cut-in certificate. An electric light or power company may not attach its power lines or electric meters to any consumer's property within the borders of Washington County unless and until a temporary or permanent meter cut-in certificate has been issued by the agency authorized to issue the certificate by the County Commissioners.

(b) Card. The authorized agency shall issue a meter cut-in card to the power or electric company furnishing the electricity to the consumer's property. (1957 Code, sec. 224. 1951, ch. 328, sec. 179Q; 1970 ed. sec. 12-17; 1984, ch. 289)

[8-118. Separability provision.

If any provision of this subtitle is declared unconstitutional or the applicability thereof to any person or circumstances is held invalid, the constitutionality of the remainder of the subtitle and the applicability thereof to other persons and circumstances is not affected. (1957 Code, sec. 225. 1951, ch. 328, sec. 179R; 1970 ed. sec. 12-18; 1984, ch. 289)]

DRAFTER'S NOTE: Section 8-118 of this Code is repealed as unnecessary in light of Article 1, § 23 of the Annotated Code of Maryland.

8-119. Restricted Electrician License; issue.

(a) Restricted Electrician License. In addition to the powers and duties given to the Board in [Sections 8-101 through 8-118] §§ 8-101 THROUGH 8-118, inclusive, OF THIS SUBTITLE, the Board shall also examine into the qualifications and capabilities of all persons who are engaged or desire to engage in the limited fields of electrical work, such as the installation, maintenance and repair of electrically operated heating equipment, electrically operated air-conditioning and refrigeration equipment, electrically operated elevators, electrical display signs or electrical household appliances.

(b) Issued. Persons found properly qualified by the Board shall be issued Restricted Electrician Licenses which shall be designated as such and shall contain the name of the particular fields of electrical work in which the persons are qualified.

(c) Procedural process. All matters handled by the Board in connection with the issuance of Restricted Electrician Licenses shall be dealt with in the same way and under
