

SECTION 27. — AND BE IT FURTHER ENACTED, That it is the intent of the General Assembly that no funds may be used to procure, supervise, or otherwise support a program for providing child day care services to State employees on the basis of their status as State employees, except pursuant to a policy developed by the Department of Personnel in cooperation with the Child Care Administration in the Department of Human Resources and adopted by the General Assembly. This provision shall not affect State support provided with respect to operation of the pilot program of the Department of the Environment or the eligibility of State employees for assistance provided through the Department of Human Resources.

SECTION 27. AND BE IT FURTHER ENACTED, That:

(1) It is the intent of the General Assembly that no funds may be used to procure, supervise, subsidize or otherwise support a program for providing child day care services to State employees on the basis of their status as State employees, except pursuant to a policy developed by the Department of Personnel.

(2) The Department of Personnel in consultation with the Department of Budget and Fiscal Planning, the Department of General Services and the Child Care Administration of the Department of Human Resources, shall develop a policy to govern the use of State funds to support child day care to State employees. The policy shall define the conditions under which agencies shall provide or subsidize child day care and shall provide guidelines defining and limiting associated capital and operating costs. This policy may not take effect until 45 days after the policy is submitted to the budget committees for review.

(3) This provision shall not affect State support provided with respect to operation of the pilot program of the Department of the Environment or the child care facility at Crownsville or the eligibility of State employees for assistance provided through the Department of Human Resources.
