

(2) The child is likely to leave the jurisdiction of the court; or

(3) There are no parents, guardian, or custodian or other person able to provide supervision and care for the child and return him to the court when required.

(c) If the child is not released, the intake officer OR THE OFFICIAL WHO AUTHORIZED DETENTION OR SHELTER CARE shall immediately file a petition to authorize continued detention or shelter care. A hearing on the petition shall be held not later than the next court day, unless extended by the court upon good cause shown. Reasonable notice, oral or written, stating the time, place, and purpose of the hearing, shall be given to the child and, if they can be found, his parents, guardian, or custodian. Detention and shelter care shall not be ordered for a period of more than 30 days unless an adjudicatory or waiver hearing is held. However, detention time may be extended for not more than 30 days where the petition charges the child with a delinquent act and where the court finds, after a subsequent hearing, that extended detention is necessary either for the protection of the child or for the protection of the community.

(d) A child alleged to be delinquent may not be detained in a jail or other facility for the detention of adults.

(e) (1) (i) A child alleged to be in need of supervision or in need of assistance may not be placed in detention and may not be placed in a State mental health facility.

(ii) If the child is alleged to be in need of assistance by reason of a mental handicap, the child may be placed in shelter care facilities maintained or licensed by the Department of Health and Mental Hygiene or if these facilities are not available, then in a private home or shelter care facility approved by the court.

(iii) If the child is alleged to be in need of assistance for any other reason, or in need of supervision, he may be placed in shelter care facilities maintained or approved by the Social Services Administration, or the Department of Juvenile Services, or in a private home or shelter care facility approved by the court.

(2) A child alleged to be in need of supervision or in need of assistance may not be placed in a shelter care facility that is not operating in compliance with applicable State licensing laws.

(3) The Secretary of Human Resources and the Secretary of the Department of Juvenile Services together, when appropriate, with the Secretary of Health and Mental Hygiene shall jointly adopt regulations to ensure that any child placed in shelter care pursuant to a petition filed under subsection (c) of this section be provided appropriate services, including:

- (i) Health care services;
- (ii) Counseling services;
- (iii) Education services;
- (iv) Social work services; and
- (v) Drug and alcohol abuse assessment or treatment services.
