CHAPTER 439

(House Bill 1211)

AN ACT concerning

Kidney Disease Program

FOR the purpose of altering certain provisions of law related to the Kidney Disease Program; requiring certain persons to pay certain fees in advance of receiving certain services; requiring the Department of Health and Mental Hygiene, in consultation with the State Commission on Kidney Disease, to adopt certain regulations governing nonmedical eligibility criteria and recovery and reimbursement; specifying that the Commission shall adopt reasonable medical standards for a certain purpose; authorizing the Department to require recipients to apply for certain other benefits; specifying that a recipient shall be terminated from the Program for failure to pay a certain fee by a certain date; providing a certain exception; authorizing the Department to require providers to seek third party reimbursement prior to billing the Program; authorizing the Department to pay certain health insurance premiums under certain circumstances; specifying that an individual may be certified for benefits under the Program for a certain period; specifying that the State may shall pay for certain prescription drugs and other pharmaceutical products under certain circumstances; specifying that the Program is a payor of last resort under certain circumstances; establishing a certain deductible that must be met prior to an individual receiving services under the
