(b) Natural Resources Police:

Construct Southern Regional Headquarters Building and support facilities including: storage building, radio tower, utilities, roads, parking, and site improvements at Cheltenham on State-owned property (Prince George's County).....

1,535,000
-0-

It is the intent of the General Assembly that the Cheltenham Southern Regional Office building be deferred a year until the State's economic condition improves and until the budget committees investigate the possibility of using nearby buildings as an alternative to constructing a new building.

(c) Maryland Environmental Service: Water and Wastewater Facilities Improvement Fund

Design and construct capital improvements to state-owned and operated water treatment and wastewater treatment plants and distribution systems. If the actual cost of a project is less than the amount authorized, any surplus funds shall be added to the funds
