

(2) The bonds to evidence this loan or installments of this loan may be sold as a single issue, or may be consolidated and sold as part of a single issue of bonds under § 8-122 of the State Finance and Procurement Article.

(3) The cash proceeds of the sale of the bonds shall be paid to the Treasurer and first shall be applied to the payment of the expenses of issuing, selling, and delivering the bonds, unless funds for this purpose are otherwise provided, and then shall be credited on the books of the Comptroller and expended, on approval by the Board of Public Works, for the following public purposes, including any applicable architects' and engineers' fees: as a grant to the Kennedy Institute in Baltimore City for the renovation of existing facilities, including upgrading of the heating, ventilation, air conditioning, mechanical, and electrical systems, to be used for treating children with a combined developmental disability and psychiatric condition, for educating more disabled elementary school children, and for educating disabled middle school children.

(4) An annual State tax is imposed on all assessable property in the State in rate and amount sufficient to pay the principal of and interest on the bonds, as and when due and until paid in full. The principal shall be discharged within 15 years after the date of issue of the bonds.

(5) Prior to the payment of any funds under the provisions of this Act for the purposes set forth in Section 1(3) above, the Kennedy Institute shall provide a matching fund. No part of an applicant's matching fund may be provided, either directly or indirectly, from funds of the State, whether appropriated or unappropriated. No part of the fund may consist of real property, in kind contributions, or funds expended prior to the effective date of this Act. In case of any dispute as to the amount of the matching fund or what money or assets may qualify as matching funds, the Board of Public Works shall determine the matter, and the Board's decision is final. The Kennedy Institute has until June 1, 1993, to present evidence satisfactory to the Board of Public Works that a matching fund will be provided. If satisfactory evidence is presented, the Board shall certify this fact and the amount of the matching fund to the State Treasurer, and the proceeds of the loan equal to the amount of the matching fund shall be expended for the purposes provided in this Act. Any amount of the loan in excess of the amount of the matching fund certified by the Board of Public Works shall be canceled and be of no further effect.

SECTION 2. AND BE IT FURTHER ENACTED, That this Act shall take effect June 1, 1991.
