

(2) IN A PROCEEDING BEFORE THE COMMISSIONER OR AUTHORIZED REPRESENTATIVE OF THE COMMISSIONER, THE COMMISSIONER OR REPRESENTATIVE DOES SO.

REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 89, § 42.

In the introductory language of subsection (a) of this section, the word "confidential", which formerly preceded "formula", is deleted as unnecessary in light of subsection (a)(3) of this section. This deletion also avoids the ambiguity of whether "confidential" also modified "pattern", "device", and "compilation".

In subsection (a)(2) of this section, the words "who do not know or use it", which formerly modified "competitors", are deleted as unnecessary in light of subsection (a)(3) of this section.

In subsection (b) of this section, the reference to information "reported to" the Commissioner or authorized representative is deleted as included in the word "obtained".

As to other provisions on confidentiality of commercial information, including trade secrets, see SG § 10-617(d), and the Maryland Uniform Trade Secrets Act.
