

MONTGOMERY COUNTY

Bill No. 32-90

Chapter 21

Laws of Montgomery County, 1991

AN ACT to:

(1) require, where practicable, procurement by the County of materials and supplies recycled from solid waste;

(2) provide a certain goal for the procurement of recycled paper;

(3) define certain terms;

(4) require a review of procurement specifications by a certain date;

(5) authorize use of a percentage price preference under certain circumstances;

(6) provide that decisions on use of a specification for goods containing recycled materials or use of a percentage price preference are within the sole discretion of the County and are not appealable under Article VI of Chapter 11B of the Code;

(7) specify the roles of the Office of Procurement and the Department of Environmental Protection;

(8) authorize adoption of certain Executive Regulations;

(9) request certain actions by certain agencies using appropriated County funds;

~~[(3)]~~(10) require a certain report; and

~~[(4)]~~(11) generally establish a program to encourage procurement of recycled materials by County government.

By adding

Montgomery County Code

Chapter 11B, Contracts, Procurement Matters and Public Ethics

Section 11B-44, Procurement of Recycled Materials and Supplies

Effective Date February 20, 1991.
