

In subsection (b)(8) of this section, the reference "federal Migrant and Seasonal Agricultural Worker Protection Act" is substituted for the former word "law", for clarity. As to the referenced statute, see 29 U.S.C. § 1801 et seq.

The first sentence of former Art. 100, § 80B(c)(1), which made applications for a certificate of registration "continuing in character", is deleted in light of subsection (c) of this section.

As to the term "license", see the General Revisor's Note to this title.

The Labor and Employment Article Review Committee notes, for consideration by the General Assembly, that former Art. 100, § 80B(c)(2) — now subsection (d) of this section — referred to an agricultural operation having "custody" of a migrant agricultural worker. Although the term "custody" is retained in the revision, the Committee questions whether this is an appropriate use of the term.

Defined terms: "Agricultural operation" § 7-101

"Commissioner" § 7-101

"Farm labor contractor" § 7-101 "License" § 7-101

"Migrant agricultural worker" § 7-101

"Person" § 1-101

7-303. INVESTIGATION.

ON RECEIPT OF AN APPLICATION FOR A LICENSE, THE COMMISSIONER SHALL INVESTIGATE, AS APPROPRIATE, TO DETERMINE WHETHER THE APPLICANT IS ENTITLED TO BE LICENSED.

REVISOR'S NOTE: This section is new language derived without substantive change from the reference, in former Art. 100, § 80B(b), to an "appropriate investigation".

The reference to a determination "whether the applicant is entitled to be licensed" is added to state expressly the purpose of the investigation.

Defined terms: "Commissioner" § 7-101
