

conform to comparable provisions throughout the revised articles of the Code. The former State Employees Standard Salary Board was abolished and the duties of the Board assigned to the Secretary of Personnel by Ch. 98, Acts of 1970.

Defined terms: "Board of Appeals" § 8-101
 "Secretary" § 8-101

8-504. REGULATIONS.

THE BOARD OF APPEALS SHALL ADOPT REASONABLE REGULATIONS TO GOVERN APPEALS AND HEARINGS UNDER THIS TITLE.

REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 95A, § 11(a) (3) and the second sentence of § 7(g).

The reference to governing "appeals and hearings" is substituted for the former reference to governing "the manner of filing appeals and the conduct of hearings and appeals", for brevity.

The former language "consistent with the provisions of this article" is deleted as unnecessary in light of provisions in the State Government Article that require a regulation to contain a citation of the statutory authority for the regulation and require a regulation to be approved by the Attorney General for legality. See SG §§ 10-106 and 10-107.
