

In subsection (c)(1)(i) of this section, the words "eligible for" are substituted for the former words "entitled to" to conform to the introductory language of subsection (f)(1) of this section.

In subsection (e)(1)(ii) of this section, the phrase "after the time for appeal on an initial determination has passed" is added in light of subsection (f)(1) of this section, which allows a redetermination "[i]f an interested party does not appeal".

In subsection (f) of this section, the reference to the decision to recover an overpayment is added in light of § 8-809 of this subtitle.

The Labor and Employment Article Review Committee notes, for consideration by the General Assembly, that subsection (a)(2) of this section does not define "material fact" and that term was the subject of litigation during the period in which the Committee was reviewing the revision of former Art. 95A.
