

FOR THE PURPOSES OF THIS TITLE, THE STATE IS THE EMPLOYER OF AN INDIVIDUAL WHO IS A COVERED EMPLOYEE UNDER THIS SECTION.

REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 101, § 33(b) and the first and fourth sentences of (a).

In the introductory language of subsection (a) of this section, the word "member" is substituted for the former word "men" to use a gender neutral word in accordance with SG § 2-1318.

In subsection (b) of this section, the phrase "[f]or the purpose of this title" is added to conform to other similar provisions in this subtitle.

As to the substitution of the defined term "covered employee" for the former reference to "workmen ... for wages within the meaning of this section", see the revisor's note to § 9-101(f) of this title.

The Labor and Employment Article Review Committee notes, for consideration by the General Assembly, that Article 65, § 8 of the Code contains a list of the circumstances under which the Governor may order the militia into service that is more comprehensive than the list under subsection (a)(2) of this section. Consequently, the list under subsection (a)(2) of this section may not be necessary. The General Assembly may wish to consider deleting the list of the circumstances under which the Governor may order the militia into service in subsection (a)(2) of this section.
