CHAPTER 57

(House Bill 1360)

AN ACT concerning

Frederick County – Building Permits – Obsolete Provision

FOR the purpose of repealing a certain provision concerning building permits in the Public Local Laws of Frederick County.

BY repealing

The Public Local Laws of Frederick County

Section 2-4-1

Article 11 – Public Local Laws of Maryland

(1979 Edition and May, 1991 Supplement, as amended)

Preamble

WHEREAS, Section 2-4-1 of the Public Local Laws of Frederick County relates to the securing of permits for the construction or repair of certain buildings; and

WHEREAS, Because Section 3(s)(2) of Article 25 of the Annotated Code authorizes the County Commissioners of Frederick County to adopt building and housing codes, Section 2-4-1 of the Public Local Laws of Frederick County is unnecessary and should be repealed; now, therefore,

SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF MARYLAND, That the Laws of Maryland read as follows:

Article 11 – Frederick County

[2-4-1.

All persons, before erecting or repairing any building in the county at an expense of two hundred fifty dollars (\$250.00) or more shall be required to give dimensions and estimated costs and secure a permit in writing from the board of assessment of the county before starting such work. All permits shall be issued free of cost and shall be valid for a period of two (2) years from the date of issuance. Any person failing to comply with this section shall, upon conviction, be fined not less than ten dollars (\$10.00) nor more than one hundred dollars (\$100.00) and costs for each offense.]

SECTION 2. AND BE IT FURTHER ENACTED, That this Act shall take effect October 1, 1992.
