STATE HIGHWAY ADMINISTRATION

29.02.01.01 State System Construction and  
Equipment  
Special Fund Appropriation, provided that  
the Department of Transportation shall set  
aside monies in a reserve account for the  
purpose of repaying any federal funds used to  
cover the State share of costs of federal  
projects as allowed by the Intermodal Surface  
Transportation Efficiency Act of 1991. These  
funds shall be paid to the federal government  
in a timely manner so as not to risk the loss of  
any federal funds.

Further provided that this appropriation shall  
be reduced by 18 positions and \$170,500  
upon enactment of HB 610 .....
