

29.05.00.03 Field Operations

Special Fund Appropriation, provided that \$500,000 of this appropriation be used only to cover the expenses of the Motorcycle Safety Program for FY 1993. It is the intent of the legislature that the Motor Vehicle Administration (MVA) should not be in the business of conducting motorcycle training courses and that the 8 state positions assigned to the program be reduced to 4 by March 15, 1993. Further, no courses should be offered or course fees collected by the administration after March 15, 1993. The Department of Transportation shall develop plans to turn over the provision of motorcycle training courses to private providers by March 15, 1993 and submit a report on its plans to privatize the program by December 15, 1992.

Further provided that no funds may be expended on driver licensing services provided at locations other than Motor Vehicle Administration headquarters, branch or express offices
