~~Further provided that it is the intent of the General Assembly that the \$9,000,000 in remaining cancer control funds will be spent as determined by the Department of Health and Mental Hygiene. These funds shall not be expended until a report is provided to the Department of Fiscal Services on the final spending plan. Since the source of funds is an increase in the tobacco tax, the department should place an emphasis on education, cancer prevention and outreach programs.~~

~~Further provided that the cancer control funds appropriated herein will be spent for cancer control programs such as screening and education, but excluding media advertising, and there shall be no budgetary transfer by budget amendment or otherwise from 32.06.02.01 cancer control funds.~~

~~Further provided that no more than \$250,000 in cancer control funds appropriated herein may be spent for media advertising, and there shall be no budgetary transfer by budget amendment or otherwise from 32.06.02.01 cancer control funds. The department is directed to use the resources of Maryland Public Television as much as possible.~~

~~Further provided that it is the intent of the General Assembly that all cancer control program appropriations provided for Executive Direction 32.06.02.01 are to be used only for the purpose herein appropriated. No budget amendments in excess of \$100,000 to transfer funds from this appropriation for another purpose may be submitted to the Governor until the amendment has been reviewed by the budget committees. The committees shall have 45 days to review and consider the~~
