

the number of troopers providing direct law enforcement services by transferring all uniformed troopers currently employed in administrative and support functions. Consistent with this revised mission, vehicle assignment policies will be modified to ensure that only those troopers actually providing direct law enforcement duty, such as road patrol and drug enforcement, are assigned vehicles. Moreover, consideration will be given to the size of the vehicle provided for each function. Troopers on road patrol should be given full size vehicles, while those performing other direct service functions such as drug enforcement, truck enforcement, etc., should use mid sized vehicles.
