General Fund Appropriation, provided that \$7,000,000 of this appropriation shall become a special fund appropriation if legislation is enacted to authorize the use of funds from the Transportation Trust Fund for the purpose of funding the Statewide Emergency Medical Services-Field Operations at UMAB.

Further provided that \$293,000 of this appropriation for contractual services may not be expended until the University of Maryland System provides the budget committees with additional information as to the type and purpose of consultant contracts for cooperative endeavors.

Further provided that no less than \$720,968 of the general fund appropriation for the Maryland Biotechnology Institute and Sea Grant College shall be expended for the Sea Grant College, program 06, in FY 1993.

Further provided that \$28.3 million of this amount, representing 5% of the general fund allowance of each component of the University of Maryland System, may not be expended until the system provides the budget committees with a plan for achieving the goals of the Maryland Charter for Higher Education ~~with limited resources~~. In light of the approved mission statements, the plan shall address the following policy areas **for each campus**:
