

It is also intended that:

- (1) Any relevant audit recommendations are to be considered as part of the reorganization process; and,
- (2) the cost of covering the liabilities of the Baltimore Regional Council of Governments should be funded in a manner that is consistent with the historical funding of the organization. The state, Baltimore City and each of the five counties which are members of the council should share in funding the close out costs of the Baltimore Regional Council of Governments. The executive should strive to limit the state's liability to the amount appropriated within this program to the greatest extent possible.
