

- (2) Every school vehicle carrying any passenger;
- (3) Every bus that is owned or operated by a church and carrying any passenger; [and]
- (4) Every vehicle carrying as cargo a flammable liquid or an explosive; AND
- (5) EVERY VEHICLE CARRYING HAZARDOUS MATERIALS OF A TYPE AND QUANTITY REQUIRING PLACARDING UNDER FEDERAL HAZARDOUS MATERIALS REGULATIONS.

(b) Except as provided in subsection (g) of this section, if the driver of any vehicle described in subsection (a) of this section approaches a railroad grade crossing, the driver shall stop within 50 feet but not less than 15 feet from the nearest rail in the crossing.

(c) Except as provided in subsection (g) of this section, if the driver of any vehicle described in subsection (a) of this section approaches a railroad grade crossing, the driver while stopped, shall listen and look in both directions along the track for any approaching or passing railroad train and for any signals indicating the approach or passage of a railroad train.

(d) Except as provided in subsection (g) of this section, if the driver of any vehicle described in subsection (a) of this section approaches a railroad grade crossing, the driver may not proceed until he can do so safely.

(e) Except as provided in subsection (g) of this section, if the driver of any vehicle described in subsection (a) of this section approaches a railroad grade crossing, the driver may proceed only in that gear of the vehicle in which it will be unnecessary to shift gears manually while passing through the crossing.

(f) Except as provided in subsection (g) of this section, if the driver of any vehicle described in subsection (a) of this section approaches a railroad grade crossing, the driver may not shift gears manually while passing over any track of the railroad.

(g) This section does not apply at any railroad grade crossing in a business district or residential district.

22-409.

(a) (1) The Administrator AND THE SECRETARY OF THE DEPARTMENT OF THE ENVIRONMENT JOINTLY shall adopt such regulations as are necessary for the safe transportation of hazardous materials.

(2) [These] THE regulations ADOPTED UNDER THIS SUBSECTION shall duplicate or be consistent with [current] THE hazardous materials TRANSPORTATION regulations [of the United States Department of Transportation] CONTAINED IN 49 CFR, PARTS 107 THROUGH 180, AND ALL AMENDMENTS TO THOSE REGULATIONS.

[(b) Any shipper of hazardous materials and any motor carrier carrying hazardous materials on a highway in the State shall comply at all times with this section and the regulations adopted under this section.
