The report and stubs shall reach the Department by the seventh day of each succeeding month. The Department shall reimburse any agent who does not dispose of every angler's license purchased from the Department and who presents the unused licenses intact in their original books to the Department for a refund before March 31 of each year, for the amount of licenses returned and after they are checked and found correct. Every angler's license not returned by March 31 shall be deemed sold and is not reimbursable, unless accompanied by a notarized statement stating why the license is returned late. The Department, after review, may reimburse the agent.
