

Also in the introductory language of subsection (a) of this section, the word "each" is substituted for the former words "major brand," "secondary brand," and "unbranded" to avoid the erroneous implication that another, unspecified kind of retail service station exists in the State and is not covered under this subsection.

In the introductory language of subsection (c) of this section, the former phrases "from year to year" are deleted as unnecessary in light of the gross revenues requirement under subsection (c)(2) of this section.
