

SECTION 1. BE IT RESOLVED BY THE HOUSE OF DELEGATES OF MARYLAND, That:

(a) The Legislative Accounting Office is authorized to adjust the payments to those members of the House of Delegates who vote in favor of this Resolution, so that those members do not benefit from the increase in the salaries of legislators authorized by the General Assembly Compensation Commission to take effect January 1, 1993 for fiscal year 1993. The Legislative Accounting Office shall implement this Resolution so that the portion of the salaries which the members would have otherwise received shall be credited to the General Fund of the State of Maryland. This authorization shall remain in effect until June 30, 1993 unless changed by an action of the House of Delegates or changed for an individual member of the House of Delegates at that member's request.

(b) The Legislative Accounting Office is authorized to adjust requests for expense reimbursements for fiscal year 1993 submitted by those members of the House of Delegates who vote in favor of the Resolution, so that those members do not receive reimbursement in excess of the limitations set forth by the General Assembly Compensation Commission for calendar year 1992. This authorization shall remain in effect until June 30, 1993 unless changed by an action of the House of Delegates or changed for an individual member of the House of Delegates at that member's request.

(c) The Chief Clerk shall transmit to the Legislative Accounting Office a list of members voting in favor of this Resolution.

Passed March 23, 1992.
