

In subsection (d) of this section, the former words "dispose" and "deal in" are deleted as included in the more specific words "sell, barter, deliver, give away, show, or offer for sale".

Subsection (e) of this section is revised for clarity as an authorization to sell camping trailers, mobile homes, and travel trailers in Anne Arundel County on Sunday. Former Art. 56, § 493(b)(3)(ii), which is revised as subsection (e) of this section, was an exception to former § 493(b)(1), which is revised as subsection (d) of this section. The vehicles described in subsection (e) of this section are not encompassed by the term "motor vehicle", as the term is defined in TR § 11-135. Since subsection (d) of this section applies to "motor vehicles", subsection (e) of this section is not properly an exception to subsection (d) of this section.

The Business Regulation Article Review Committee notes, for consideration by the General Assembly, that subsection (e) of this section is unnecessary because there is no provision that prohibits the sale of camping trailers, mobile homes, and travel trailers in Anne Arundel County on Sunday. The General Assembly may wish to repeal this provision.

In subsection (f)(2)(viii) of this section, the word "or" is substituted for the former word "and" since a stand that sells only plants or only flowers also would seem to come under the scope of this subsection.

Also in subsection (f)(2)(viii) of this section, the former word "vending", which modified "stands", is deleted as unnecessary in light of the word "sell".

The Business Regulation Article Review Committee notes, for consideration by the General Assembly, that subsection (c) of this section, which revises former Art. 27, § 493(a)(2) and (3), makes no accommodation for a merchant whose day of rest is on a day other than Sunday.

REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 56, § 100.

SUBTITLE 2. WICOMICO COUNTY SUNDAY BLUE LAWS.

18-201. SCOPE OF SUBTITLE.

REVISOR'S NOTE: This section is new language added for clarity. It is based on the references to Wicomico County in former Art. 27, § 500(a) and (d)(1).

It is stated as a scope provision to avoid repetition of the phrase "in Wicomico County" in the revised law.
