

Subsections (b) and (e) of this section are new language added for clarity.

Subsection (c) of this section is new language derived without substantive change from the third through sixth clauses of the sixth sentence of former Art. 56, § 109.

Subsections (d) and (f) of this section are new language derived without substantive change from the fourth and seventh sentences of former Art. 56, § 109.

In subsection (a)(1) of this section, the former provision that called for a quorum of "[t]hree members of the Commission" is restated, without substantive change, in more general language that refers to a "majority of the authorized membership of the Commission". This restatement conforms to similar provisions in other titles of this article and will accommodate possible future legislative changes in the number of members to be appointed to the Board without the necessity of enacting a conforming change here. Similarly, in subsection (a)(2) of this section, the reference requiring a concurrence of "a majority of the authorized membership" is substituted for the former reference to a concurrence of "at least three commissioners". As to the current "authorized membership" of the Commission, see § 4-202(a) of this subtitle.

In subsection (c) of this section, the former clause "the expenses and salaries shall be payable out of the license fees hereinafter provided" is deleted as obsolete. See the General Revisor's Note to this title.

In subsection (c)(1)(ii) and (2)(ii) of this section, the word "traveling", which formerly modified the word "expenses", and the former words "and other expenses incurred in the performance of his official duties" are deleted as unnecessary in light of the reference to the Standard State Travel Regulations. See COMAR 23.02.01.01 through .12.

In subsection (d) of this section, the standard language "in the form and amount required by law" is substituted for the former incomplete reference to Art. 78A, §§ 46 through 50 of the Code. See also Art. 19, § 20 of the Code and SF §§ 9-107 and 10-203.

In subsection (f) of this section, the former phrase "for the transaction of its business" is deleted as unnecessary since transacting business is the purpose of having general offices.
