Design and construct a golf course.

The General Assembly believes that a project of this complexity and magnitude should be subject to the approval by the Board of Public Works of all major components of the project and that final approval should not be provided at a departmental level. Therefore, the legislature recommends that the Memorandum of Understanding dated February 28, 1989 and amended March 8, 1989 between the State of Maryland and Barker-Patrinely Group, Inc. and Benchmark Management Company be further amended to provide for this legislative intent and that the ground lease, still to be negotiated, contain the following items: (1) approval by the Board of Public Works of the commitments of the developers for the primary debt and the equity investment; (2) approval by the Board of Public Works of the management agreement; (3) receipt of payment bonds and performance bonds satisfactory to the Board of Public Works; and (4) the right of first refusal by the Board of Public Works at the time of a sale of the tenant's interest in the ground lease.

Further provided, pursuant to the preceding statements, that prior to approval by the Board of Public Works of the ground lease, the management agreement, the financial commitments for the primary debt and equity investment, the loan agreement with the Maryland Industrial Commercial Redevelopment Fund and the
