No part of the grantee's matching fund may be provided, either directly or indirectly, from funds of the State, whether appropriated or unappropriated. The fund may consist of real property, in kind contributions, or funds expended prior to the effective date of this Act. In case of any dispute as to the amount of the matching fund or what money or assets may qualify as matching funds, the Board of Public Works shall determine the matter and the Board's decision is final. The grantee has until June 1, 2000, to present evidence satisfactory to the Board of Public Works that a matching fund will be provided. If satisfactory evidence is presented, the Board shall certify this fact and the amount of the matching fund to the State Treasurer, and the proceeds of the loan equal to the amount of the matching fund shall be expended for the purposes provided in this Act. Any amount of the loan in excess of the amount of the matching fund certified by the Board of Public Works shall be canceled and be of no further effect.

Upon the request of the Board of Public Works, the grantee shall submit evidence satisfactory to the Board that none of the proceeds of the loan or any matching funds have been or are being used for a purpose prohibited by this Act.
