## CHAPTER 509

### (House Bill 761)

AN ACT concerning

#### **Maryland Electrology Practice Act**

FOR the purpose of authorizing the State Board of Electrologists to require an examination, under certain circumstances, of a licensed electrologist during an investigation against the licensee; clarifying privileges waived by a licensed electrologist in the State; establishing that a licensee's refusal to submit to an examination is prima facie evidence of certain findings under certain circumstances; clarifying to whom certain reports and investigatory files may be disclosed; clarifying that certain Board proceedings, records, and files are not discoverable or admissible in civil actions unless all parties consent; clarifying that the use of certain records or exhibits used in Board proceedings does not preclude use in other proceedings; establishing exceptions to admissibility and the use of certain records, files, and exhibits; expanding the grounds under which the Board may deny, suspend, or revoke a license or otherwise discipline a licensee; authorizing certain courts to penalize individuals who disobey subpoenas or orders by the Board to take certain actions; prohibiting certain procedural challenges to the Board's proceedings; ~~requiring that hearing costs be paid by an individual under certain circumstances; describing the hearing costs;~~ prohibiting the staying of a Board order pending review; establishing when, by whom, and where actions for certain injunctions may be brought; describing certain proof not required for the injunction action; establishing that an injunction action is in addition to certain criminal prosecution actions; ~~authorizing the Board to use the Department of Public Safety and Correctional Services central repository for certain purposes; describing certain procedures for using the central repository;~~ and generally relating to the investigation and discipline of licensed electrologists.
