

(2) the member was entitled to a vested allowance at the time of the separation from employment; or

(3) (i) the member has completed 1 year of eligibility service after a break in service; and

(ii) the number of consecutive years in which the member incurred a break in service is less than the years of eligibility service as a member before the break in service.

(d) To determine if a member is eligible for prior eligibility service under subsection (c)(3)(ii) of this section, the Board of Trustees shall determine the number of years of prior eligibility service:

(1) as of the day the member separated from employment; but

(2) excluding any eligibility service lost because of a prior break in service.

(e) When a member receives credit for eligibility service under subsection (c) of this section from the other system, the member has no further rights in the other system.

23-401.

(a) A member may retire with a normal service retirement allowance if:

(1) the member completes and submits a written application to the Board of Trustees stating the date when the member desires to retire; and

(2) on or before the date of retirement, the member:

(i) has at least 30 years of eligibility service; or

(ii) has attained the age and the years of eligibility service as follows:

Age		Years of Eligibility Service
62	with	5
63	with	4
64	with	3
65	or more with	2

(b) [On] EXCEPT AS PROVIDED IN SUBSECTION (C) OF THIS SECTION, ON retirement under this section, a member is entitled to receive a normal service retirement allowance that equals the number of years of the member's creditable service multiplied by:

(1) 0.8% of the member's average final compensation that is not in excess of the social security integration level; and

(2) 1.5% of the member's average final compensation that exceeds the social security integration level.
